Title: The Dark Order

Author: D|O Recruiting

"Step into a realm where
the power we wield is
only matched by those of
us who carry the torch.

In the beginning, our
ancestors stood against
all those that sought to

oppress our kind. Assist
in our cause...-your-
cause...and you will be
richly rewarded, not just
in the material, but with
glory and stature."

The Dark Order is a

lawfully evil roleplaying
guild. We reside in the
ancient, and storied city
of Cove. We accept
players of all levels, from
the young to the veteran,
and provide an
environment that is

enjoyable and challenging.
